2/5

The houses are situated in an "L" shape, sharing a courtyard in the center of Felanitx, with entrances from two different streets.

House 1 is a single-story building with a large garage and a separate entrance to an apartment, totaling 185 m² of living space on a 135 m² plot.

House 2 is a single-story building with approximately 252 m² of living space plus an apartment with a separate entrance, totaling approximately 230 m² of living space, all on a 492 m² plot.

Houses 1 and 2 share a rear courtyard.

Units can be purchased separately; price upon request.
