Just on the outskirts of Algaida, this magnificent two-storey house offers you an oasis of serenity on a 30,230 m2 plot, providing the space and tranquility you have been looking for. Spanning a generous 350m2, this residence boasts meticulous design and exceptional amenities.

The interior spaces flow effortlessly, from the expansive living room to the modern kitchen and bright dining room, creating a perfect environment for entertaining and daily enjoyment.

The house has five double bedrooms, each with its own en-suite bathroom, ensuring the privacy and comfort of all family members and guests. An additional toilet and elegant dressing room add a touch of luxury and convenience.

In addition to its beauty and style, this house is equipped with the latest amenities. Maintain a pleasant temperature throughout the year thanks to the air conditioning and underfloor heating.

The two-car garage offers additional convenience.

Your well-being is paramount, which is why the house also has a water softener and an osmosis plant, ensuring a high-quality water supply at all times.

But that's not all: get ready for a sustainable experience! The property is totally self-sufficient thanks to its solar panels, batteries and backup generator, which gives you energy independence.
